

Chris Olsen, has spent the last decade growing Teatulia Organic Teas from a start-up tea company into one of the world's fastest-growing international tea brands. As the head of export and international sales, he has opened up markets in Chile, Canada, and Australia. As a product innovation lead, Olsen has launched more than 20 different product formats and formulated many tea blends that earned Teatulia's coveted North American Tea Championship and Sofi™ awards.
